

ADDITIONAL GUIDELINES

PROMOTIONAL ITEMS

In order to protect the university's license agreements, marketing agreements and graphic identity standards, promotional items must be designed and reviewed to ensure compliance with these agreements and standards. In addition, these items can only be purchased from vendors who are licensed by the university to produce ECU-trademarked items. A list of these vendors/licensees is available at www.ecu.edu/licensing and/or through the Department of Materials Management.

All off-campus advertising by athletics units must be approved in advance through Athletics Marketing/Licensing Office.

INTERNET, SOCIAL MEDIA, MOBILE APPS STANDARDS

ECUPirates.com is the official website for ECU Athletics. ECUPirateClub.com is the official website for the ECU Pirate Club. These are the only official sites representing ECU Athletics. All sports and/or administrative areas should work through the designated athletics staff for administrative approval to coordinate all content for the athletics department website and official department social/new media entities (twitter, etc.) to ensure a consistent representation. This includes recruiting-related web pages, social media sites and mobile applications. Refer to the Athletics Branding - Trademark Licensing Guidelines for detail information.
