

COLLEGE VAULT

College Vault is a vintage-inspired merchandise program that pays homage to the University's historical trademarks and traditions through fashion-forward apparel and non-apparel products. The College Vault allows ECU to celebrate its vintage marks that represent a strong history in a trendy, stylish program that is clearly differentiated in the marketplace.

These marks are used in the following ways: Primarily for merchandise in retail/e-commerce, a throwback game or uniform, or it can be utilized for one alternative game uniform.

A select number of vendors are licensed to produce merchandise with Vault logos. For a full list of vendors, please reach out to spainm18@ecu.edu
